

Warren Theatre strives to produce innovative, high-quality theatre that challenges students to push themselves towards greatness. Every season has several events and activities for all to participate in and enjoy! This includes a dinner theatre and main stage production in the fall; a children's show, TheatreFest, and 24 hour theatre festival in the winter; a contest play, group interpretation, and musical in the spring; and our improv comedy group, Giggles n' Bits throughout the year.
